Winter Market:

Cancelled. There are many winter markets around town and we don't see it as the best use of our resources and time.

Brayden to ask teachers if they are going to take the lead on this?
Should PAC take it back on as their responsibility?
Can we ask Learning Expeditions or the Alternative Program if they want to take the lead on hot lunches?
Brayden will follow up to see what teachers want to do and will report back to PAC.
