SEA TO SKY LEARNING CONNECTIONS LIBRARY NEWSLETTER

February 2019

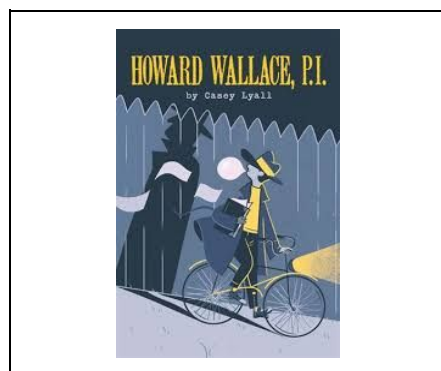

## Forest of Reading

Our K-4 students have been participating in this year's Forest of Reading Program. Students will have the opportunity to vote for their favourite picture book alongside other students from all over the country. The winning author will receive the Blue Spruce Award.

## Grade 4/5/6 Students!

We have 5 dedicated students that are reading diligently. We are still looking for one more student to add to our team and read the light-hearted mystery novel: *Howard Wallace, P.I.* Come and see Kristin in the library if you want to come and check it out!

## Book to Movie Club!

We have started listening to the audio book for *Ready Player One* by Ernest Cline. We look forward to watching the Steven Spielberg movie adaptation of this classic science fiction novel once we are done!
